

Model Information

(Information may vary with any machines on offer)

Model: D150 AGH

Ausa wheel dumper

Technical specifications:

Production year model/type

Engine:

Cil/Turbo/intercooler:

Engine model:

Capacity in Kw/pk/Rpm:

Maximum torque: Nm/rpm:

Displacement (cm³)

Fuel:

Transmission:

Hydrauliek system:

Capacity hydraulic tank (liter)

Capacity hydraulic system (liter)

Maximum working pressure: (bar)

Dimensions & weight:

Unladen weight: (kg)

Overall length: (mm)

Width over tires: (mm)

Width over hopper: (mm)

Height to top of cab/rollbar: (mm)

Wheelbase length: (mm)

Tyres front:

Tyres rear:

Turning Circle over tires: (mm)

Fuel tank (liter)

Performances:

Loading capacity: (kg)

Unloading system:

Hopper capacity: (Water Ltr)

Hopper capacity struck: (Ltr)

Hopper capacity heaped: (Ltr)

Travel speed low/high (km/h)
